Notes

- a) *Please type or write your answers using black ink. If you need help to fill in this form or you have any questions, please contact the Office on 0300 300 2000.*
- b) *Identifying the type of search you require:*
 - Option a) *choose this option if your application is a PCT application.*
 - Option b) *choose this option if your application is a UK national application, and this is the first search you have requested for your application.*
 - Option c) *this option is used if you have already had a search done, but the claims have since been amended or corrected so that the defined invention has changed, and was not covered by the original search. An examiner will tell you if you need to request a supplementary search.*
 - Option d) *sometimes an examiner will tell you that your claims relate to more than one invention. In such circumstances the examiner will only search the first invention of the claims. If you wish other inventions to be searched you should use this option, filing a separate form with this option ticked for each invention you wish to be searched. You should also indicate on the form(s) the claims relating to the invention to be searched. You will need to pay a fee for each further invention to be searched.*
- c) *If you do not identify an invention, the second invention specified in the search report previously made under Section 17(5) will be searched.*
- d) *We will supply one copy of each non-patent document such as journal articles cited in the search report or during the substantive examination process. Patent documents cited during the application process are usually accessible for free on the internet (particularly from <http://worldwide.espacenet.com/>) and you will not be issued with a copy of them. For copyright reasons, all copies of citations supplied by the Office must be used for the sole purpose of processing the patent application.*
- e) *Before your application is searched you must pay an application fee, as well as the search fee required with this form. If you have not already paid the application fee you can do so when filing this form. Note that the application fee is higher when paid after the date you filed your application. For details of the fees and ways to pay them, please contact the Office.*
- f) *If you have selected option (a) or (b) in part 4 of this form, please indicate the current number of claims in your application. The search fee increases if your application includes more than 25 claims. Such an increase does not apply to searches under option (c) or (d). For details of the fee payable with this form and ways to pay, please contact the Office.*
- g) *In order to promote efficient and high quality patent processing internationally, we are cooperating with other patent offices to share the results of searches and examinations. We are obliged to provide some information before publication to the European Patent Office. We may also provide the results of the search and any examination that has been carried out to other patent offices, even if this is prior to publication of your application. Any sharing prior to publication of your application will be carried out on a confidential basis and the results will not become publicly available through the other patent office before publication takes place in the UK.*
- h) *Once you have filled in this form remember to sign and date it.*
